CLASS GROOMING

Dancers are expected to wear activewear to class. Leotards, tights, shorts, singlets, crop tops etc. GC Dancewear is available for purchase.

During class club members are encouraged to wear our GC dancewear. We believe that wearing club uniforms give students a sense of belonging as well as create an identity for our club at competitions. Our dancewear is also designed with the purpose to create as little distraction as possible so our teachers can ensure the correct and safe alignment of the body.

We also require all students to arrive with their hair neatly off their face and secured with pins or headbands if needed.

CLASS ETIQUETTE

- To always act in a way that maintains safety for themselves and others.
- Act respectfully towards teachers and other dancers.
- Arrive on time.
- Dancer to bring their own water bottle.

COMPETITION WEAR

Individual Leotards – All competitors will require an ADPA designed leotard. Members are also given the option of wearing 7/8 length tights or bike pants. All members must attend class on the date provided within the first term to try on styles and sizing. Second hand leotards can also be purchased and worn.

Team Leotards – The club will hire out team leotards on the day of their performance for \$20. If your child performs in a team the hire cost will be added to your term 3 Invoice.
